CERTIFICATE UNDER 37 CFR § 3.73(b)

Apple Computer, Inc. certifies that it is the assignee of the entire right, title and interest in the patent application identified above by virtue of an assignment from the inventor of the parent patent application. The assignment was recorded on March 16, 2004 on Reel 015110, Frame 0368 of the Patent Assignment Records of the United States Patent and Trademark Office.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of the undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
